

U.S. Retirement & Benefits Partners Acquires Chimienti & Associates

California Employee Benefits Firm

Iselin, NJ, September 5, 2017—U.S. Retirement & Benefits Partners (USRBP) announced today the acquisition of Chimienti & Associates Insurance Services, which joins USRBP's U.S. Employee Benefits Services Group (USEBSG) division.

Based in Visalia, CA, Chimienti & Associates is a Voluntary Benefits Managing General Agency providing product and service solutions nationally to benefits brokers, consultants, employers, and government agencies. They specialize in delivering supplemental and voluntary worksite employee paid insurance programs, including life, disability, and critical illness among others.

The firm was established in 1980 by Toney Chimienti, President, and Cathy Chimienti, Vice President, and has been recognized in the employee benefits community as an innovator in the development of new products and the use of technology. Toney will continue to lead the company as a Managing Partner of U.S. Employee Benefits Services Group.

Toney Chimienti said, "Working with USRBP provides us with the opportunity to continuously improve our service delivery to our clients through the ability to gain access to their broad product and service capabilities."

"Toney has been recognized by his peers through his induction into the Worksite Hall of Fame. His many contributions to the refinement of products and services for his clients is an industry standard by which many in the field strive to equal. He and his team are great additions to our family, said Mark M. Skinner, President and Chief Executive Officer of USRBP.
